

A close-up, artistic photograph of a camera lens. The lens is the central focus, with its various glass elements and metal housing visible. The lighting is dramatic, with a strong blue/cyan hue on the left and a deep red/maroon hue on the right, creating a high-contrast, moody atmosphere. The background is dark and out of focus.

About Our Festival

Inaugurated in 2012 by the TACAWA Film Committee, Seattle Turkish Film Festival has become one of the most admired and venerated events of the Turkish American Cultural Association of Washington.

The film festival is a non-profit, volunteer-driven event, committed to bringing the best of Turkish films to Seattle in an effort to provide an international platform for talented filmmakers working in both short and feature length formats to showcase their work.
